

All Candidates Environment Meeting

Lanark Highlands

2018 Municipal Election

Place: Foy Hall, Lanark Village

Time: Sat, Sept 15, 2018, 10:30 am to 1:30 pm

A large portion of tax income is generated within Lanark Highlands through annual property taxes from waterfront properties. We are sponsoring an all candidates meeting to share ideas for protecting the natural features of the Township in the face of development pressures. It is important for residents to understand what local candidates stand for and what their views are on the issues that affect our lakes, wetlands and rivers?

Come out and get your voice heard.

Agenda

10:30 AM Candidate Presentations - How candidates plan to address issues affecting waterfront property owners over their 4 year term of office.

11:30 AM Open Floor Question and Answers - Questions from residents to the candidates about environmental issues affecting lakes and rivers.

1:00 PM Lunch and Networking

Environmental Issues affecting waterfront property owners include:

- Policy and Bylaws
- Lake Planning and environment committees
- Water Quality
- Invasive Species
- Septic System Inspections
- More....
